Topics in FY 8/2021

⑥ Raising awareness of preventing the secondary health impacts

What is “the Secondary Health Impacts”
caused by COVID-19?

Refraining from going out leading to lack of exercise and less socializing may advance the physical and mental declines.

Staying at home or remote working due to COVID-19 will result in....

Lowering
immunity

Over-weight
and deteriorating
chronic diseases

Mental ailments
due to stress

Severer illness and depression

Elderly people have
even higher risk!

Fall or fracture
due to loss of
muscles

Deteriorating
cognitive functions

Need for nursing care or
being bedridden

Curves aiming to fulfill our mission as “the community’s health infrastructure” has been striving to raise people’s awareness of the COVID secondary health impacts becoming a social challenge in a joint effort with experts in fields.

Topics in FY 8/2021

⑥ Raising awareness of preventing the secondary health impacts

“The Consortium for Preventing the Secondary Health Impacts” was founded in March 2021

- The organization designed to raise awareness for preventing the secondary health impacts in industry/academic/government joint initiatives
- Curves joined as one of the organizers.

Full recovery of business and completion of the new business model by the end of 2022

Financial Forecasts (Highlights)

Sales	26.5 B yen	(Year on Year) +1.8 B yen
Operating profit	2.5 B yen	+800 M yen
Net profit	1.5 B yen	+400 M yen

Total members end period	798K members	+104K members
Total clubs end period	1,933 clubs	-25 clubs

These forecasts are based on the assumptions the impacts of COVID-19 on the social/economic activities will be eased by phase with the rise of vaccination ratio and improved medical supports available and the people's daily living gradually gets normalized with proper preventive measures taken.

These forecasts do not reflect a case where the pandemic may significantly impact the social/economic activities again due to a possible increase in cases with new variants and tightened medical support systems.

Membership Drive Fall FY 8/2022

Sept-Nov “Refresh Campaign”

Offerings will include “Free Service Fee”,
“Free 1-month Trials” and other attractive incentives.

**By spreading the habits of
correct exercises,
we will help our members and
ourselves have a better life,
and solve problems in our society.**

Strengths of Curves Group

Essential value offered to our customers

“Making Habit of Healthy Lifestyle”

- **Workout in club is not our essential value.**
- **Our essential value is to create the “habit of exercise” for those people with no experiences to start and continue exercises for life.**
- **The group’s true strengths are to provide a space for the “exercise habit”, communications and community.**

We are currently reinventing the business model based on this principle.
